- 89 New Construction Condos
- 10+ Amenities
- Select from Designer Finishes
- Onsite Sales Center

What is an LOI?

An LOI (Letter of Intent) is the simplest way to move from curiosity to putting your unit preferences in writing. Next, our sales team will connect with you when the time comes to write offers. An LOI is non-binding and states that the parties intend to enter into a future Offer to Purchase but are not obligated to do so.

Why submit one now?

1. **Priority:** LOIs ensure you're part of the first group to move forward to an offer.
2. **Options:** You have the ability to be curious about 89 different condos. Some condos are already drawing strong interest.
3. **Preparation:** We're quickly getting ready for the stage where buyers select their finishes - and an LOI keeps you in position for that process.
